The following points were discussed which should be borne in mind while revising the syllabus.

- Regulations of the university must be retained
- The syllabus should be the centre of attraction for the students to select the subject
- The academic quality should be the strength of autonomy
- Latest developments and trends should be introduced into the syllabus.
- The practical experiments should be industrially linked

The following sub committee was

constituted for the work. Co-operation and help of all the members were assumed.
Subcommittee.

Dr. Suma N (Co-ordinator)

Dr. Ushakumari A

Dr. Shibu Joseph S.T.

The revision, and changes and additions to be made in the syllabus was discussed in detail and it was decided to finalize it by the 7th of March 2015 or a nearby day convenient to all.

The meeting came to a happy close by 4.30 p.m.
